

## Family

Thursday, 13 March 2008

Last Updated Friday, 28 March 2008

Photographs of large family groups capture the love between family members, the emotions of being together for a special event or reunion. The camera room at High Gate Gallery can accommodate large groups. We also travel for location or outdoor portraits. You can choose to be formal or informal, and Tamara will take the time to pose your group in an artistic and pleasing way.
